JIO LAUNCHES TRUE 5G IN ASSAM

- Hon'ble Chief Minister Dr. Himanta Biswa Sarma inaugurated Jio True 5G services in Assam at an event held in Guwahati
- True 5G-Powered Free Wi-Fi for all devotees in Maa Kamakhya Temple Complex
- 7 additional cities across 4 states of Karnataka (Hubli-Dharwad, Mangalore, Belgaum), Kerala (Chertala), Telangana (Warangal, Karimnagar) and Maharashtra (Solapur) to also get Jio True 5G from today

Mumbai, January 10, 2023: Honourable Chief Minister of Assam, Dr. Himanta Biswa Sarma launched Jio True 5G services in Assam, at an event held in Guwahati. Alongside its True 5G services that were launched in Guwahati, Jio also launched its True 5G-Powered Wi-Fi services at Maa Kamakhya Temple complex today.

Jio demonstrated the transformational benefits of True 5G to the **Honourable Chief Minister of Assam, Dr. Himanta Biswa Sarma**. Amongst the numerous benefits of True 5G, healthcare was the chosen sector for this demonstration, as True 5G not just enriches lives, but also has the potential to save lives in difficult times. Revolutionary solutions such as Jio Community Clinic medical kit, AR-VR-based healthcare with JioGlass, Smart Healthcare Solutions like Tele Radiology, Connected Ambulance were showcased. These healthcare solutions can enhance quality healthcare in urban India and assist in spreading quality healthcare infrastructure to the remotest areas of the country, thereby touching over a billion lives.

Speaking at the event, the **Honourable Chief Minister of Assam, Dr. Himanta Biswa Sarma**, said, *"I am happy to launch Jio's True 5G service in Guwahati. I believe True 5G has the power to democratize the healthcare infrastructure across the varied geography of Assam. The health solution demonstrated today i.e., 'Clinic in a bag' can aid grassroot-level healthcare workers and Asha workers. It has a simple design and can wirelessly connect to a suite of medical devices over 5G. Healthcare workers with the help of specialist Doctors can diagnose and treat patients in even the most remote locations of Assam.*

My government is fully committed to aiding the speedy roll-out of 5G services in Assam. By implementing 5G-based healthcare solutions, we can fulfil our Honourable Prime Minister Sh. Narendra Modi Ji's vision of Ayushman Bharat Digital Mission by building a Digital Health Ecosystem in the State of Assam.

Apart from their existing investment of ₹9,500 crores, Jio is additionally investing over ₹2,500 crores to deploy True 5G network in Assam and this shows their immense commitment towards our state's development. By December 2023, Jio True 5G services will be made available in every town and taluka of Assam."

Commenting at the occasion, **Jio Spokesperson** said, *“With the blessings of Maa Kamakhya, Jio is launching True 5G services in Assam today. Jio will offer free True 5G-powered Wi-Fi inside the temple premises to all the devotees visiting Kamakhya temple.*

Today, we demonstrated how Jio True 5G technology will benefit the people of Assam and North-East in the field of advanced healthcare with its reliable wireless network. There are many such benefits across agriculture, education, e-governance, IT, SME, automation, Artificial Intelligence, gaming, and many more.

Jio engineers are working round the clock to deliver True-5G benefits to every Indian so that the transformational power and the exponential benefits of this technology can be experienced by every citizen of our great country.

We are grateful to the Assam Government for extending their support in digitizing Assam.”

Starting 10th January, Jio users in **Guwahati and 7 additional cities across 4 states of Karnataka** (Hubli-Dharwad, Mangalore, Belgaum), **Kerala** (Chertala), **Telangana** (Warangal, Karimnagar) and **Maharashtra** (Solapur) will be invited to the Jio Welcome Offer, by which they can experience Unlimited Data at up to 1 Gbps+ speeds, at no additional cost.

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited, a subsidiary of Jio Platforms Limited, has built a world-class all-IP data-strong future-proof network with 4G LTE technology. The network is 5G ready with no legacy infrastructure and an indigenous 5G stack. It is the only network conceived as a Mobile Video Network from the ground up. It is future-ready and can be easily upgraded to support even more data, as technologies advance to 6G and beyond.

Jio has brought transformational changes in the Indian digital services space to enable the vision of Digital India for 1.3 billion Indians and propel India into global leadership in the digital economy. It has created an eco-system comprising of network, devices, applications and content, service experience and affordable tariffs for everyone to live the Jio Digital Life.
