MEDIA RELEASE

POST LAUNCH OF JIO TRUE 5G SERVICES IN MADHYA PRADESH BY HON'BLE CHIEF MINISTER, JIO CONTINUES ROLLOUT BY ANNOUNCING TRUE 5G LAUNCH IN INDORE AND BHOPAL

- Jio True 5G launch to enhance tech-readiness for Pravasi Bharatiya Divas and Global Investor Summit to be held in Indore in January 2023
- State capital Bhopal to also get True 5G from today
- Jio users to enjoy Unlimited 5G Data with up to 1 Gbps+ speed, at no additional cost
- Jabalpur & Gwalior to go live by January 2023

Mumbai, 29th December 2022: Reliance Jio today announced the launch of its True 5G services in Indore and Bhopal. With the launch, Reliance Jio has become **the first and the only operator** in MP to launch 5G services in the city of Indore and Bhopal.

The Jio True 5G launch is in line with the announcement made by Honourable Chief Minister Shri. Shivraj Singh Chouhan at Shri Mahakaal Mahalok Ujjain on 14th December 2022. In his speech, Hon'ble CM had said that Jio would launch its 5G services in Indore and Bhopal before the end of 2022. The launch of Jio True 5G confirms Jio's commitment and supports the technology readiness for the upcoming 17th edition of the Pravasi Bharatiya Divas and the Global Investor Summit to be held in Indore in January 2023.

Starting today, Jio users in the city of Indore and Bhopal, will be invited to the Jio Welcome Offer, to experience Unlimited Data at up to 1 Gbps+ speeds, at no additional cost.

Commenting on the launch, a **Jio Spokesperson** said that *"We are proud to rollout 5G in Indore and Bhopal ahead of the Pravasi Bharatiya Divas and the Global Investor Summit in January 2023. Jio True 5G is the only 5G service to be available in these cities and we honoured our commitment to the Hon'ble CM regarding the launch of True 5G services in the state."*

Indore and Bhopal are important destinations in MP with special focus on education, tourism and industrial growth. With the launch of Jio's True 5G services, consumers will not just get the best telecommunication network but will also get infinite growth opportunities in the areas of e-governance, education, automation, Artificial Intelligence, gaming, healthcare, agriculture, IT, and SMEs.

We are grateful to the Hon'ble CM Shri Shivraj Singh Chouhan and the State Government, MP administration team for their continuous support in our quest to digitize the region. Jio continues to be the most loved telecom brand in the state and enjoys almost two-third of data traffic and almost half the customer market share in the region", he added.

By January 2023, Jio will launch its Jio True 5G services in other major cities like Jabalpur, and Gwalior. In addition, every town, taluka of Madhya Pradesh will be able to enjoy Jio True 5G services in by the end of December 2023.

As the leading operator in MP, Jio has invested Rs. 4,420 Crore for the deployment of its True 5G network in MP, which is 68% of the total 5G spectrum investment by the industry. Jio is the only company that has deployed its Standalone True 5G network which has zero dependency on 4G network. With Standalone True 5G, Jio can deliver new and powerful services such as low latency connectivity, massive machine-to-machine communication, 5G voice, edge computing and network slicing.

Jio True 5G has advantage that makes it the only TRUE 5G network in India:

1. The largest and best mix of 5G spectrum across 700 MHz, 3500 MHz, and 26 GHz bands
2. Carrier Aggregation that seamlessly combines these 5G frequencies into a single robust “data highway” using an advanced technology called Carrier Aggregation

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited, a subsidiary of Jio Platforms Limited, has built a world-class all-IP data strong future proof network with 4G LTE technology. The network is 5G ready with no legacy infrastructure and indigenous 5G stack. It is the only network conceived as a Mobile Video Network from the ground up. It is future ready and can be easily upgraded to support even more data, as technologies advance on to 6G and beyond.

Jio has brought transformational changes in the Indian digital services space to enable the vision of Digital India for 1.3 billion Indians and propel India into global leadership in the digital economy. It has created an eco-system comprising of network, devices, applications and content, service experience and affordable tariffs for everyone to live the Jio Digital Life.
