2021-22

INDEPENDENT AUDITOR'S REPORT

To The Members of IndiaCast Media Distribution Private Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of IndiaCast Media Distribution Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report for the year ended 31 March 2022 but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income , cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:

    a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

    c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account

    d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

    e. On the basis of the written representations received from the directors as on 31 March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

    f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

    g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

  i. The Company does not have any pending litigations which would impact its financial position;

  ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses:

  iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

  iv.

    (a) The Management has represented, that, to the best of it’s knowledge and belief, as disclosed in the notes to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

    (b) The Management has represented, that, to the best of it’s knowledge and belief, as disclosed in the notes to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

    (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

  v. The company has not declared or paid dividend during the year.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF INDIACAST MEDIA DISTRIBUTION PRIVATE LIMITED

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of IndiaCast Media Distribution Private Limited (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the criteria for the internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INDIACAST MEDIA DISTRIBUTION PRIVATE LIMITED

(Referred to in paragraph 2, under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

i.

a)

(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

b) The Property, Plant and Equipment were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c) The Company does not have any immovable property and hence reporting under clause (i) (c) of the Order is not applicable.

d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.

e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii.

a) The Company does not have inventory and hence reporting under clause (ii)(a) of the Order is not applicable.

b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.

iii. The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of making investments. The Company has not granted any loans or provided guarantees and securities that are covered under the provisions of sections 185 and 186 of the Companies Act, 2013.

v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder and hence reporting under clause (v) of paragraph 3 of the Order is not applicable.

vi. The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.

vii. In respect of statutory dues:

(a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2022.

viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

ix.

(a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause (ix) (a) of the Order is not applicable to the Company.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, company has not raised funds on short term basis and hence, reporting under clause (ix)(d) of paragraph 3 of the Order is not applicable.

(e) During the year, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.

x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.

(b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of paragraph 3 of the Order is not applicable to the Company.

xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.

xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of paragraph 3 of the Order is not applicable.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports of the company issued till date, for the period under audit.

xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or directors of its subsidiary companies or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of paragraph 3 of the Order is not applicable.

As represented by the management, the Group does not have Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence the reporting under clause (xvi)(d) of the Order is not applicable.

xvii. The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year.

xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The Company is not required to spend any amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of paragraph 3 of the Order is not applicable for the year.

IndiaCast Media Distribution Private Limited
Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

1 **CORPORATE INFORMATION**

IndiaCast Media Distribution Private Limited ("the Company") was incorporated on 25 April, 2008. The Company is primarily engaged in the business of advertisement sales and linear channel distribution and syndication of programs within and outside India. The registered office of the Company is situated at First Floor, Empire Complex, 414 - Senapati Bapat Marg, Lower Parel, Mumbai - 400013, Maharashtra.

The Company was a 50:50 Joint Venture of TV18 Broadcast Limited (TV18) and Viacom 18 Media Private Limited (Viacom 18), since 1 April, 2013.
On 28 February, 2018 TV18 acquired controlling stake in Viacom 18, as a result of which the company has become subsidiary of TV18.

2 **SIGNIFICANT ACCOUNTING POLICIES**

2.1 **STATEMENT OF COMPLIANCE**

The financial statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind AS"), including the rules notified under the relevant provisions of the Companies Act, 2013, amended from time to time.

2.2 **BASIS OF PREPARATION AND PRESENTATION**

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which are measured at fair value or amortised cost.
The Company's financial statements are prepared in Indian Rupees (₹) which is the functional currency of the Company and all the values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

2.3 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

a) **Current and Non- Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.
An asset is treated as Current when it is **–**

- Expected to be realised or intended to be sold or consumed in normal operating cycle;

- Held primarily for the purpose of trading;

-Expected to be realised within twelve months after the reporting period, or

-Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at 'least twelve months after the reporting period.
All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;

- It is held primarily for the purpose of trading;

- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

b) **Operating Cycle**

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

c) Property, Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost (net of trade discount and rebates) less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, and any cost directly attributable to bringing the assets to its working condition for its intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in schedule II to the Companies Act, 2013 and are as follows:

Asset	Useful Life
Furniture and Fixtures	10 years
Plant and Machinery	5 years
Equipments and Computer system:	
- Computer Hardware	3 years
-Office Equipments	5 years
- Computer Servers	6 years
Leasehold Improvements	over the lease period
Motor Vehicles	8 years

PPE individually costing ₹ 5,000 or less are depreciated fully in the year of acquisition.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss when the asset is derecognised.

d) Intangible assets

Intangible Assets are stated at cost of acquisition (net of trade discount and rebates) less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price and any cost directly attributable for preparing the asset for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

The company's intangible assets include assets with finite useful lives which are amortised on a straight-line basis over the period of their expected useful lives.

A summary of amortisation policies applied to the Company's intangible assets to the extent of depreciable amount is, as follows:

Computer software are being amortized over the estimate useful life of 5 years.

The amortisation period and the amortisation method for intangible assets with a finite useful life are reviewed at each reporting date.

e) Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, cheques in hand, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

f) Leases

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

g) Borrowing cost :

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period in which they are incurred.

h) Impairment of non-financial assets :

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

i) Provisions and Contingency

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

j) Employee Benefits

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation as per the Projected Unit Credit Method.

Post-Employment Benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund & Employee State Insurance. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days basic salary for every completed year of service as per the Payment of Gratuity Act 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurements of defined benefit plans in respect of post-employment benefits are charged to the Other Comprehensive Income.

k) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted at the Balance sheet date.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized.

The carrying amount of Deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax Liabilities and Assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of reporting period.

l) Foreign currencies transactions and translation

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

All monetary assets and liabilities in foreign currency are translated at the functional currency's closing rates of exchange at the end of the accounting period. Exchange differences on translation/ settlement of all monetary items are recognised in the Statement of Profit and Loss.

m) Revenue recognition

Revenue recognition is based on the delivery of performance obligations and an assessment of when control is transferred to the customer. Revenue is recognised either when the performance obligation in the contract has been performed (‘point in time’ recognition) or ‘over time’ as control of the performance obligation is transferred to the customer. Under Ind AS 115 the Company needs to evaluate if a format or licence represents a right to access the content (revenue recognised over time) or represents a right to use the content (revenue recognised at a point in time). The Company has determined that most of the formats and licence revenue are satisfied at a point in time due to their being limited ongoing involvement in the end use of the license following its transfer to the customer.

The transaction price, being the amount to which the Company expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. Revenue is stated exclusive of GST and other taxes. Generally, the credit period varies between 1-120 days from the shipment or delivery of goods or services as the case may be.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

Contract Balances

Trade receivables represents the Company's right to an amount of consideration that is unconditional. Revenues in excess of invoicing are considered as contract assets and disclosed as accrued revenue.

Invoicing in excess of revenues are considered as contract liabilities and disclosed as unearned revenues. When a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised and disclosed as advances from customers.

Contract liabilities are recognised as revenue when the Company performs under the contract.

Following are the revenue recognition principles for major streams of business:

(i) Revenue from Operations

• Revenue from the sale of air time (net of trade discount, as applicable) is recognised on telecast of advertisements.

• Revenue from distribution of a satellite channel is recognised upon the right to receive the subscription as per the terms of the respective agreements.

• Revenue from licensing of content is recognised in accordance with the licensing agreement on dispatch of the content.

• Commission Revenue is recognised when services are provided in accordance with the contractual obligation.

(ii) Other Income

'Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

n) Financial instruments

A financial instrument is any contract that gives right to a financial asset of one entity and a financial liability or an equity instrument of another entity.

i. Financial Assets

A. Initial recognition and measurement

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not accounted at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets measured at amortised cost (AC)

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The effective interest rate amortisation is included in other income in the Statement of Profit and Loss.

b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

Financial assets at fair value through other comprehensive income (FVTOCI). A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

c) Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

For financial reporting purpose, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:
- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the assets or liability.

C. Investment in Subsidiaries

The Company has accounted for its investments in Subsidiaries at cost less impairment loss (if any).

D Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:
a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further the Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk, full lifetime ECL is used. ECL impairment allowance is recognised in the statement of Profit and Loss.

ii Financial liabilities

A. Initial recognition and Measurement

All financial liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Eneded 31st March, 2022

iv. Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

o) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

2.4 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY:

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) **Depreciation/ amortisation and useful lives of property, plant and equipment and intangible assets:**

Property, plant and equipment are depreciated over their estimated useful lives of the assets, after taking into account their estimated residual value. Intangible assets are amortised over its estimated useful lives. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/ amortisation for future periods is revised if there are significant changes from previous estimates.

b) **Determining the lease term**

The Company determines the lease term as the non cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised. It considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

c) **Recoverability of trade receivables:**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

d) **Provisions**

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

e) **Impairment of non- financial assets**

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable Company of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

In assessing value in use, the estimated future cash flows covering generally a period of five years are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Estimated future cash flows involve judgement and estimates relating to revenue growth rates, net profit margin and perpetual growth rates. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used. Based on the impairment assessment as aforesaid, there is no impairment.

f) **Impairment of financial assets**

The impairment provisions for financial assets depending on their classification are based on assumptions about risk of default, expected cash loss rates, discounting rates applied to these forecasted future cash flows, revenue multiples, EBITDA multiples, recent transactions, independent valuer's report and reorganisation of businesses. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

g) **Defined benefit plans**

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ income include the discount rate, salary escalation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

h) **Recognition of Deferred Tax Assets:**

Deferred tax assets are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

i) **Fair Value Measurement:**

For estimates relating to fair value of financial instruments refer note 34 of the financial statements.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

j) **Estimation uncertainty relating to the global health pandemic**

The outbreak of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue during the period were impacted due to Covid- 19. The Company has taken into account the possible impact of Covid- 19 In preparation of financial statements including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these financial statements and current indicators of future economic conditions.

2.5 STANDARDS ISSUED BUT NOT EFFECTIVE

On March 23, 2022, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2022. This notification has resulted into amendments in the following existing accounting standards which are applicable to company from April 1, 2022

i. Ind AS 101 – First time adoption of Ind AS
ii. Ind AS 103 – Business Combination
iii. Ind AS 109 – Financial Instrument
iv. Ind AS 16 – Property, Plant and Equipment
v. Ind AS 37 –Provisions, Contingent Liabilities and Contingent Assets

Application of above standards are not expected to have any significant impact on the company's financial statements.

IndiaCast Media Distribution Private Limited
Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

25.1 As per Indian Accounting Standard- 19 "Employee Benefits", the disclosures as defined are given below

Defined Contribution Plans

Contribution to Defined Contribution Plans, recognised as expense for the year is as under :

(₹ in lakh)

Particulars	**2021-22**	**2020-21**
Employer’s Contribution to Provident Fund & other funds	264	255
Employer’s Contribution to ESIC (Current Year ₹ 13,040 & Previous Year ₹ 14,918)	0	0

25.2 Defined Benefits Plan

The Company’s gratuity scheme provides for lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service subject to a ceiling of ₹ 2,000,000. Vesting occurs upon completion of 5 years of service.

(I) Reconciliation of opening and closing balances of Defined Benefit Obligation

(₹ in lakh)

	Gratuity (Unfunded)	
	2021-22	**2020-21**
Defined Benefit obligation at beginning of the year	675	595
Current Service Cost	82	84
Past service cost	-	-
Interest Cost	41	38
Actuarial (gain) / loss	(38)	(22)
Benefits paid	(28)	(20)
Defined Benefit obligation at year end	732	675

(II) Expenses recognised in statement of profit and loss

(₹ in lakh)

	Gratuity (Unfunded)	
	2021-22	**2020-21**
Current Service Cost	82	84
Past service cost	-	-
Interest cost	41	38

(III) Expenses recognised in other comprehensive income

(₹ in lakh)

	Gratuity (Unfunded)	
	2021-22	**2020-21**
Actuarial (Gain)/Loss on arising from Change in Demographic Assumption	-	(1)
Assumption	(44)	13
Actuarial (Gain)/Loss on arising from Experience Adjustment	6	(34)
Net Cost	(38)	(22)

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

(IV) Actuarial assumptions

	Gratuity (Unfunded)	
	2021-22	**2020-21**
Mortality Table	2012-14	2012-14
(Indian Assured Lives Mortality)	(Ultimate)	(Ultimate)
Discount rate (per annum)	4.25%-7.253%	2.35%-6.836%
Attrition rate	7.00%-8.50%	7.00%-8.50%
Rate of escalation in salary (per annum)	4.00%-8.00%	4.00%-8.00%

The discount rate is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

The estimates of the rate of escalation in salary considered in actuarial valuation take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the Actuary.

(V) Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee attrition rate.

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

(₹ in lakh)

	Gratuity (Unfunded)	
	As at 31st March, 2022	**As at 31st March, 2021**
a. Impact of Change in Discount Rate		
Present Value of Obligation at the end of the year	**732**	**675**
i. Impact due to Increase of 0.50%	(26)	(26)
ii. Impact due to Decrease of 0.50%	28	28
b. Impact of Change in Salary Increase		
Present Value of Obligation at the end of the year	**732**	**675**
i. Impact due to Increase of 0.50%	22	22
ii. Impact due to Decrease of 0.50%	(21)	(21)
c. Impact of Change in Mortality Rate		
Present Value of Obligation at the end of the year	**732**	**675**
i. Impact due to Increase of 10% (Current Year ₹ 8832 Previous Year ₹ (6739))	0	(0)
ii. Impact due to Decrease of 10% (Current Year ₹ (8872) Previous Year ₹ 6814)	(0)	0
d. Impact of Change in Arrtition Increase		
Present Value of Obligation at the end of the year	**732**	**675**
i. Impact due to Increase of 50%	5	(6)
ii. Impact due to Decrease of 50%	(7)	8

IndiaCast Media Distribution Private Limited
Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

(₹ in lakh)

Maturity Profile of Defined Benefit Obligation	**Amount**	
Year	**As at 31st March, 2022**	**As at 31st March, 2021**
0 to 1 Year	81	64
1 to 2 Year	94	57
2 to 3 Year	62	81
3 to 4 Year	61	53
4 to 5 Year	59	52
5 to 6 Year	69	62
6 Year onwards	869	788

These plans typically expose the Company to actuarial risks such as interest risk, longevity risk and salary risk.

Interest risk:
A decrease in the discount rate will increase the plan liability.

Longevity risk:
The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk:
The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

29 Commitments

a) Estimated amount of contracts remaining to be executed on capital account and not provided for - ₹ 4 Lakh (Previous year ₹ 2 Lakh)

30 Other Financial Liabilities - Leases

The table below provides details regarding the contractual maturities of lease liabilities as at 31 March, 2022 on an undiscounted basis:

(₹ in lakh)

Particulars	As at 31 March, 2022	As at 31 March, 2021
Less than one year	204	171
One to five years	375	-
More than five years	-	-
Total	**579**	**171**

31 Earnings per share

Basic earnings per equity share have been computed by dividing net profit/loss after tax by the weighted average number of equity shares outstanding for the year. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year. The reconciliation between basic and diluted earnings per equity share is as follows:

Basic earnings per equity share	**Units**	**2021-22**	**2020-21**
Net Profit after Tax as per Statement of Profit and Loss attributable to Equity Shareholders	(₹ in lakh)	195	330
Weighted average of number of equity shares used in computing basic earnings per share	Nos.	4,56,000	4,56,000
Nominal value of equity shares	₹	10	10
Basic earnings per share	₹	42.69	72.32
Diluted earnings per equity share			
Net Profit after Tax as per Statement of Profit and Loss attributable to Equity Shareholders	(₹ in lakh)	195	330
Weighted average of number of equity shares used in computing diluted earnings per share	Nos.	4,56,000	4,56,000
Nominal value of equity shares	₹	10	10
Diluted earning per equity share	₹	42.69	72.32

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

33 Capital risk management

The Company's objectives when managing capital is to safeguard continuity as a going concern and provide adequate return to shareholders through continuing growth and maintain an optimal capital structure to reduce the cost of Capital.

The Company sets the amount of capital required on the basis of annual business plan and long-term operating plans which include capital investments.

The funding requirements are primarily met through internal accruals.

The following table summarizes the debt equity ratio of the Company:

(₹ in lakh)

	As at 31st March, 2022	**As at 31st March, 2021**
Borrowings- Non Current (including current maturities)	-	-
Total Debt	**-**	**-**
Equity Share Capital	46	46
Other Equity	2,558	2,325
Total Equity	**2,604**	**2,371**
Debt Equity Ratio	**Nil**	**Nil**

34 Financial Risk Management

A wide range of risks may affect the Company's business and financial results. Amongst other risks that could have significant influence on the Company are market risk, credit risk and liquidity risk.

IndiaCast Media Distribution Private Limited
Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

(a) Market risk

The Company is primarily exposed to the following market risks.

(i) **Foreign exchange exposure/ currency risk**

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flow of an exposure will fluctuate because of changes in foreign currency rates. Exposure can arise on account of various assets and liabilities which are denominated in currencies other than functional currency.

The Company's foreign currency exposure not hedged by a derivative instrument or otherwise as at the year end is as follows:

(₹ in lakh)

Particulars	Foreign Currency Denomination	As at 31st March, 2022		As at 31st March, 2021	
		Foreign Currency	(₹ in lakh)	Foreign Currency	(₹ in lakh)
Trade Receivables	USD	20,72,371	1,571	30,51,911	2,231
	AUD	4,000	2	16,172	9
	ZAR	5,19,611	27	5,19,611	26
	NZD Previous Year (₹ 14,938)	-	-	292	0
	SGD	95,911	54	1,15,406	63
	IDR	-	-	2,93,61,831	1
	MYR	33,730	6	9,029	2
	AED	7,874	2	17,337	3
Trade Payables	AED	9,41,440	194	4,95,086	99
	USD	12,27,795	931	22,23,057	1,625
	SGD	26,584	15	28,367	15
Financial Assets	AED	49,163	10	49,163	10
Other Financial Assets-Current	USD	8,50,437	645	3,30,993	242
	MYR (Previous Year ₹ 46,857)	7,702	1	2,658	0
	SGD	46,083	26	25,000	14
	AED	12,000	2	12,000	2
	NZD	3,350	2	-	-
	ZAR	7,11,360	37		
Cash and Cash equivalents	AED	4,88,088	101	4,10,511	82
	USD	2,30,633	175	1,74,634	128

Sensitivity Analysis:

1% appreciation/ depreciation of the respective foreign currencies with respect to the functional currency of the Company would result in an increase/ decrease in Group's profit before tax ₹ 15 Lakh for the year ended 31 March 2022 and by ₹ 11 lakh for the year ended 31 March 2021.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year. This sensitivity analysis includes only outstanding foreign currency denominated monetary items.

IndiaCast Media Distribution Private Limited

Notes to the Standalone Financial Statements For the Year Ended 31st March, 2022

(b) Credit Risk

Credit Risk is the risk that customers or counter party will not meet its obligations under a Financial instrument or customer contract, leading to Financial loss. The Company is Exposed to credit risk from its operating activities. (Primary trade receivables)

Customers credit risk is managed by each business team subject to the Company's established policy, procedures and control relating to customers credit risk management. Credit quality of a customer is assessed based on extensive internal assessment and individual credit limits are defined in accordance with this assessment. Outstanding customers receivables are regularly monitored.

An impairment analysis is performed at each reporting date for major customers. Receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company evaluates the concentration of risks with respect to receivables as low.

(c) Liquidity risk

The Company closely monitors its risks of shortage of funds. The company assessed the concentration of risk with respect to its debt as Nil. As at reporting date, the company does not have any loan.

35 Fair Value Measurement Hierarchy:

(₹ in lakh)

	As at 31st March, 2022				As at 31st March, 2021
