Indiavidual Learning Limited
Financial Statements
2021-22

Independent Auditor's Report

To the Members of Indiavidual Learning Limited

Report on the Audit of Financial Statements

Opinion

We have audited the financial statements of Indiavidual Learning Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended, and Notes to the financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (referred to as 'the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2022, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The procedures that we conducted and were required to be conducted form part of this report as Appendix 1.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:
    a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
    b) in our opinion proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
    c) the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
    d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
    e) on the basis of written representations received from the directors, taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2022, from being appointed as a director in terms of Section 164(2) of the Act;
    f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
    g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
    In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
    h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us: -
        i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;

ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.

The Annexure A referred to in paragraph 1 of Our Report of even date to the members of Indiavidual Learning Limited (formerly Indiavidual Learning Private Limited) on the accounts of the Company for the year ended 31st March 2022

On the basis of such checks, as, we considered appropriate, and, according to the information and explanations given to us during the course of our audit, we report that:

1. (a)(A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment.
   (B) The Company is maintaining proper records showing full particulars of Intangible assets.
   (b) The Company has a regular programme of physical verification of the Property, Plant & Equipment at reasonable intervals. In accordance with this programme, certain Property, Plant & Equipment were verified during the year, and no material discrepancies were noticed on such verification.
   (c) The Company has all the original title deeds of immovable property in its own name.
   (d) During the year, the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both.
   (e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. (a) The Company is engaged in the running of Educational Software & Website; thus, the clause 3(ii)(a) of the order is not applicable to the company.
   (b) The company has not been sanctioned any working capital limits from banks or financial institutions on the basis of security of current assets at any point of time during the year.

3. The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships or any other parties except that the company has made investments in a mutual funds.

4. According to the information and explanations given to us, the Company has not given any loans, purchased investment, given guarantees and security to the parties covered under section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or Loans or guarantee or security provided to the parties covered under section 186 of the Act.

5. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Therefore, the provisions of Clause 3(v) of the order are not applicable to the Company.

6. According to the information and explanations provided by the management, the company is not engaged in production of any such goods and provision of any such services for which central government has prescribed particulars relating to utilisation of material or labour or other items of cost. Hence, the provision of section 148(1) of the Act is not applicable to the Company.

7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income tax, Goods and Service Tax, customs duty, cess and other material statutory dues with the appropriate authorities.

   (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, cess, Goods and Service Tax and customs duty which have not been deposited on account of a dispute.

8. As per information and explanation given to us , there is no transaction which has been surrendered or disclosed as income during the year in the tax assessments under Income Tax Act,1961. Therefore, reporting under Clause 3(viii) of the order is not applicable.

9. (a) The company has not defaulted in any repayment of loans or other borrowings or in the payment of interest thereon to any lender.
   (b) The company is not declared as a wilful defaulter by any bank or financial institution or other lender.
   (c) During the year, company has obtained a term loan from bank and utilized it for the same purpose for which it was obtained.
   (d) The funds raised for short term purpose has been utilized by the company for same purpose.
   (e) As at year end, company has no subsidiaries, associates or joint ventures. Therefore, the reporting under clause 3(ix)(e) and (f) of the order are not applicable.

10. (a) In our opinion, and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (Including Debt instruments) during the year.

    (b) In our opinion, and according to the information and explanations given to us, the Company has not raised any money by way of preferential arrangement or private placement of shares or convertible debentures during the year, so the provisions of Section 42 and Section 62 of the companies Act 2013 is not applicable to the company.

11. (a) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have, neither, come across any instance of fraud by the Company, or, any fraud on the company by its officers or employees, noticed or reported during the year, nor, have we been informed of such case by the management.

    (b) As provisions of clause 3(xi)(b) of the order is not applicable to the Company and hence not commented upon.

    (c) According to the information and explanations given to us and the records of the Company examined by us, during the year company has not received any whistle – blower complaint.

12. The Company is not a Nidhi Company. Therefore, the provision of clause 3(xii) of the order is not applicable to the Company.

13. The Company's transactions with its related parties are in compliance with Section 188 of the Companies Act, 2013, and, the details of related party transactions have been disclosed in the Financial Statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company. Accordingly, reporting under clause 3(xiii) of the Order in so far as it relates to section 177 of the Act is not applicable to the Company and hence not commented upon.

14. (a) As per information & explanation given to us, the company has an effective internal audit system which commensurate with the size and nature of its business.

    (b) The provisions of Sec 138 are not applicable to the company. Accordingly, reporting under clause 3(xiv)(b) of the Order is not applicable to the Company and hence not commented upon.

15. In our opinion, and according to the information and explanations given to us, the Company has not entered into any non-cash transaction with directors, or, persons connected with them.

16. (a) In our opinion, and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

    (b) In our opinion, and according to the information and explanations given to us, the company has not conducted any activity related to Non- Banking Financial or Housing activities. So, reporting under clause 3(xvi)(b) is not applicable to the Company and hence not commented upon.

    (c) Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) is not applicable to the Company and hence not commented upon.

    (d) In our opinion, and according to the information and explanations given to us, the company has no Core Investment Company (CIC) in the group, so reporting under clause 3(xvi)(d) of the order is not applicable to the company.

17. In our opinion, and according to the information and explanations given to us, the company has incurred a cash losses of Rs. 34,00,000/- in financial year 2021-22 and Rs. 63,60,00,00/- in financial year 2020-21.

18. There has been no resignation of the statutory auditors during the year and accordingly reporting under clause 3(xviii) of the order is not applicable.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and future events or conditions may cause the Company to cease to continue as a going concern.

20. The provisions of Section 135 of the Companies Act, 2013 is applicable to the company, however the company is not required to spend at least two percent of the average net profits made during three immediately preceding financial years as the company has incurred losses during this period. So, reporting under clause 3(xx) of the order is not applicable and hence not commented upon.

21. As we are the component auditor, therefore reporting under clause 3(xxi) of the order is not applicable and hence not commented upon.

Annexure B to the Independent Auditor's Report of Even Date On The Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Indiavidual Learning Limited (formerly Indiavidual Learning Private Limited) ("the Company") as of March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Appendix 1

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note 1 Corporate Information

Indiavidual Learning Limited (formerly Indiavidual Learning Private Limited) ("the Company") is a public limited company, incorporated under the provisions of the Companies Act, 1956 on 28 August, 2012. The registered office address is No. 150,1st Floor, Towers B, Diamond District, Old Airport Road, Kodihalli, Bangalore-560008, Karnataka. The Company is engaged in the business of providing artificial intelligence based personalised learning education platform. The Company’s immediate holding company is Jio Platforms Limited and ultimate holding company is Reliance Industries Limited.

Note 2 Significant Accounting Policies

i Statement of Compliance

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

ii Basis of preparation & presentation

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

i) Certain Financial Assets and Liabilities (including derivative instruments),
ii) Defined Benefit Plans - Plan Assets and
iii) Equity settled Share Based Payments

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards (‘Ind AS’), including the rules notified under the relevant provisions of the Companies Act, 2013, amended from time to time.

The Company’s Financial Statements are presented in Indian Rupees (`), which is also its functional currency and all values are rounded to the nearest lakh (`00,000), except when otherwise indicated.

The Company is a Small and Medium Sized Company as defined in the General Instructions in respect of Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

The Company's Financial Statements have been prepared as per the requirements of Appendix C to Ind AS103 "Business Combination".

iii Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.
An asset is treated as 'Current' when it is (a) Expected to be realised or intended to be sold or consumed in normal operating cycle (b) Expected to be realised within twelve months after the reporting period, or (c) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
All assets other than Current are classified as 'Non-Current'.
A liability is current when:
- It is expected to be settled in normal operating cycle;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all Other Liabilities as non-current.
Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities.

iv Property, Plant and Equipment

Tangible fixed assets

Tangible fixed assets are stated at cost of acquisition / installation and less accumulated depreciation and impairment loss, if any. Cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

(a) Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other costs directly attributable to bring the assets to its working condition for its intended use.

(b) Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

(c) Depreciation on tangible fixed assets is provided on Written Down Value (WDV) method based on the useful lives, specified in Schedule II of the Companies Act, 2013.

(d) In respect of assets added/ sold, discarded, demolished or destroyed during the year, depreciation on such assets is calculated on a pro-rata basis from the date of such additions or as the case may be, up to the date on which such assets have been sold, discarded, demolished or destroyed.

(e) The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

v Intangible assets

(a) Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable for preparing the asset for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

(b) Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

(c) Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible assets under development.

(d) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(e) The company’s intangible assets include assets with finite useful lives which are amortised on a straight-line basis over the period of their expected useful lives. The amortisation period and the amortisation method for intangible assets with a finite useful life are reviewed at each reporting date. The estimated useful lives of the assets, as follows:

Name of Intangible Asset	Useful Life
Intellectual Property Rights - Owned	5 Years
Intellectual Property Rights -Acquired through Business Combination	5 Years

Research and Development Expenditure

(a) Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss.

(b) Development costs are capitalized as an intangible asset if it can be demonstrated that the project is expected to generate future economic benefits, it is probable that those future economic benefits will flow to the entity and the costs of the asset can be measured reliably, else it is charged to the Statement of Profit and Loss.

vi Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right to use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Motor Vehicles -2 years
Office Building -5 years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-to-use assets are also subject to impairment.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

In calculating the present value of lease payments, the Company uses its Effective Interest Rate (EIR) at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense.

vii Cash & Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

viii Finance Costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

ix Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset’s carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cashflows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

x Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are not recognised in the financial statements.

xi Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Defined Benefit Plans

The liability in respect of gratuity and other post-employment benefits is calculated on actuarial basis using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance sheet date.

xii Tax Expenses

The tax expense for the period comprises of current tax and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit as per Income tax laws.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on income tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

xiii Share Based Payments

Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

xiv Foreign currency transactions

Foreign currency transactions are accounted at the exchange rates prevailing on the date of such transactions. Foreign currency monetary items are translated using the exchange rates prevailing at the reporting date. Exchange difference are recognised as income or expense in the period in which they arise. The Company's exposure to currency risk relates primarily to the Company's operating activities including but not limited to export sales, denominated in a currency other than the Company's functional currency.

xv Revenue recognition

(a) Revenue from contracts with customers is recognised when control of the goods and/or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods and/or services.

(b) Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

(c) Revenue is measured at the amount of consideration which the company expects to be entitled to in exchange for transferring distinct services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Generally, the credit period varies between 0-90 days from the delivery or services as the case may be.

(d) In case of discounts, rebates, credits, price incentives or similar terms, consideration are determined based on its most likely amount, which is assessed at each reporting period.

(e) Interest Income from a Financial Assets is recognised using effective interest rate method.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

xvi Financial Instruments

i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets,which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent Measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cashflows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

D. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit riskfull lifetime ECL is used.

E. Embedded Derivatives

A derivative embedded in a hybrid contract, with a financial liability or non-financial host, is separated from the host and accounted for as a separate derivative if: the economic characteristics and risks are not closely related to the host; a separate instrument with the same terms as the embedded derivative would meet the definition of a derivative; and the hybrid contract is not measured at fair value through profit or loss. Embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

·The rights to receive cash flows from the asset have expired, or

·The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)

CIN: U80301KA2012PLC107575

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

C. Derecognition of Financial Instruments

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

D. Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

xvii Critical Accounting Judgments and Key Sources of Estimation Uncertainty

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

A. **Recoverability of Trade Receivables**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

B. **Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

C. **Impairment of Non-Financial Assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

D. **Impairment of Financial Assets**

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

E. **Property Plant and Equipment/ Intangible Assets**

Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management. Property, Plant and Equipment/Intangible Assets are depreciated/amortised over their estimated useful life, after taking into account estimated residual value. Management reviews the estimated useful life and residual values of the assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful life and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortisation for future periods is revised if there are significant changes from previous estimates.

F. **Fair Value Measurement**

For estimates relating to fair value of financial instruments refer note 28.6 of financial statements.

xviii Earnings per share

Basic earnings per share is computed and disclosed using the weighted average number of equity shares outstanding during the year. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)

CIN: U80301KA2012PLC107575

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

xix Cash Flow Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xx Business combinations

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired, and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

Deferred tax assets or liabilities, and the liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.

Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

When the company acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the company re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

xxi Standards Issued But Not Effective

On March 23, 2022, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2022. This notification has resulted into amendments in the following existing accounting standards which are applicable to company from April 1, 2022.

i. Ind AS 101 – First time adoption of Ind AS
ii. Ind AS 103 – Business Combination
iii. Ind AS 109 – Financial Instrument
iv. Ind AS 16 – Property, Plant and Equipment
v. Ind AS 37 –Provisions, Contingent Liabilities and Contingent Assets
vi. Ind AS 41 – Agriculture

Application of above standards are not expected to have any significant impact on the company's financial statements.

b. Terms/Rights attached to Equity

i) The Company has only one class of equity shares having a par value of Re. 1 each. Each holder of equity shares is entitled to one vote per share.

ii) In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amount. The distribution will be in proportion to the number of equity shares held by the shareholders.

iii) During the FY 2021-22, the Company has issued 30,89,999 (till March 31, 2022) Cumulative Compulsory Convertible Preference Shares which have been shown under Current Borrowings in Note-18 as per IND AS-32. (During the previous year 2020-21, the Company had issued 34,09,997 Cumulative Compulsorily Convertible Preference Shares which have been shown under Non-Current Borrowings in Note-16 as per IND AS-32.)

c. Aggregate number of bonus shares issued and shares issued for consideration other than cash during the period of five years immediately preceding the reporting date:

The Company has not issued any bonus shares nor there has been any buy back of shares during five years immediately preceding 31st March 2022.

d. Others

With respect to 8,427 non-cumulative compulsorily convertible preference shares (CCPS), the company had approached the National Company Law Tribunal, Bangalore Bench (NCLT) for reduction of the said CCPS, which was approved on 20th July 2020 hence stands reduced and cancelled.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

I)Terms of Repayment

The Company has issued 30,89,999 (till March 31, 2022) Cumulative Compulsorily Convertible Preference Shares to its Holding Company, Jio Platforms Limited which are convertible into Equity Shares at a Future Date and at a Conversion Ratio as stated below

II) Conversion Date shall be at the earliest of the following

(i) the latest date on which the Future Contribution Preference Shares are required to be converted into Equity Shares under applicable Law in connection with any Public Offer of the Company,
(ii) the Third Anniversary Date
(iii) the occurrence of a Liquidation Event, subject to the discretion of the Investor,
(iv) the occurrence of a Default Event, and
(v) if the Founder ceases to be an executive Director and CXO (save due to genuine, bona fide and reasonable circumstances acceptable to the Board based on simple majority), subject to the terms of Share Subscription cum Shareholders Agreement dated April 12, 2018, as amended.

III) Conversion Ratio shall take into account the following

(a) a discount of 25% to FMV of Equity Shares (to be computed based on the share capital of the Company on a Fully Diluted Basis) prevailing on: (yy) the date of issuance of such Future Contribution Preference Shares, if the Future Contribution Preference Shares have been issued after the occurrence of a Conversion Date pursuant to events at (iii), (iv) or (v) of Time of conversion Paragraph, and (zz) in all other scenarios, the Conversion Date (notwithstanding the actual conversion occurring on a subsequent date); and

(b) a notional internal rate of return that has an effect of 12% per annum in USD terms based on quarterly compounding (to be adjusted for any dividend on such Future Contribution Preference Share actually paid); provided that the conversion ratio should be subject to a floor which ensures the Equity Shares upon conversion have not been issued at a discount to its face value ("Conversion Ratio").

g. Employees Stock Option Scheme

The Company has instituted an Employee Stock option Plan ('Indiavidual Employees Stock Option Plan or IESOP) as approved by the Board of Directors and by the shareholders of the company from time to time for issue of stock option convertible into equivalent number of Equity shares of Re 1 each to the employees of the company.

The Company has only one type of arrangement with respect to share based payments which is governed by the policy adopted by the name and style of Indiavidual Employee Stock Option Plan.

The Company recognizes compensation expense relating to share-based payments in net profit using fair-value in accordance with Ind AS 102, Share based Payments. The estimated fair value of awards is charged to income on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in substance, multiple awards with a corresponding increase to share options outstanding account. The fair value of each equity-settled award is estimated on the date of grant using the Black-Scholes-Merton model with the following assumptions:

Particulars	**For the Options Granted during FY 2021-22**
Weighted Average Share Price	**Rs. 1333.0**
Exercise Price	**Re 1**
Expected Volatility	**0.35**
Expected life of the option (years)	**1-1.5 years**
Expected dividends (%)	**-**
Risk-free interest rate (%)	**4.90% - 9.00%**
Weighted average fair value as on grant date	**Rs. 1333.0**

Summary of Stock options outstanding is as follows :

Particulars	**As at March 31, 2022**	As at March 31, 2021
Options at the begining of the year	**578,060**	542,818
Granted during the year	**43,523**	100,697

Experience adjustment (gain)/loss for plan liabilities	**2**	**(26)**
Total amount recognized in other comprehensive income	**(5)**	**(22)**

(e) The assumptions employed for the calculations are tabulated below

Discount rate	**6.60% per annum**	6.50% per annum
Salary growth rate	**10.00% per annum**	10.00% per annum
Mortality	**IALM 2012–14 Table**	IALM 2012–14 Table
Withdrawal rate (per annum)	**15.00% p.a. (for all ages)**	15.00% p.a. (for all ages)
Method of Valuation	**Projected Unit Credit (PUC) Method**	

(f) Mortality rate

Age (in years)	Year ended March 2022	Year ended March 2021
20	0.09%	0.09%
30	0.10%	0.10%
40	0.17%	0.17%
50	0.44%	0.44%
60	1.12%	1.12%

(g) Estimate of expected benefit payments (In a absolute terms i.e. undiscounted)	**Amount**
01 Apr 2022 to 31 Mar 2023	112
01 Apr 2023 to 31 Mar 2027	436
01 Apr 2027 to 31 Mar 2032	460
01 Apr 2032 Onwards	761

(h) Projection for next period (All amounts in Rs. in Lakhs, unless otherwise stated)

Best estimate for contribution during next period	112

(i) Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. The sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Particulars	Year ended March 2022	Year ended March 2021
Defined Benefit Obligation (Base)	992	717
Liability with 0.5% increase in Discount Rate	957	696
Liability with 0.5% decrease in Discount Rate	1,029	740
Liability with 0.5% increase in Salary Growth Rate	1,028	732
Liability with 0.5% decrease in Salary Growth Rate	958	702
Liability with 25% (PY 10%) increase in Withdrawal Rate	928	706
Liability with 25% (PY 10%) decrease in Withdrawal Rate	1,082	728
Liability with 10% increase in Mortality Rate	992	-
Liability with 10% decrease in Mortality Rate	992	-

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

28.6 Fair Value Measurement

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

(All amounts in Rs. in Lakhs, unless otherwise stated)

Financial Instruments by Categary	Carrying Value		Fair Value	
	As at March 31, 2022	As at March 31, 2021	**As at March 31, 2022**	As at March 31, 2021
Current Investments at Fair Value through Profit & Loss	-	-	-	-
Total	-	-	-	-
Financial Assets at amortised cost				
Other Financial Assets	**2,909**	1,911	**2,909**	1,911
Trade Receivable	**553**	1,252	**553**	1,252
Cash and Cash equivalents	**900**	2,000	**900**	2,000
Bank Balances other than above	-	73	-	73
Total	**4,362**	5,236	**4,362**	5,236
Financial Liabilities at amortised cost				
Borrowings	**135,158**	75,905	**135,158**	75,905
Trade Payables	**3,358**	3,628	**3,358**	3,628
Other Financial Liabilities	**5,791**	6,044	**5,791**	6,044
Lease Liability	**2,248**	2,769	**2,248**	2,769
Total	**146,555**	88,346	**146,555**	88,346

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

1. The Company has determined the classification of quoted investments in mutual funds as Fair value through Profit & Loss as these are held for trading. The fair value is based upon the price quotations near to reporting date.

2. The fair value of unquoted instruments, loans from banks and other financial liabilities, as well as other noncurrent financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. In addition to being sensitive to a reasonably possible change in the forecast cash flows or the discount rate, the fair value of the equity instruments is also sensitive to a reasonably possible change in the growth rates. The valuation requires management to use unobservable inputs in the model, of which the significant unobservable inputs are disclosed in the tables below. Management regularly assesses a range of reasonably possible alternatives for those significant unobservable inputs and determines their impact on the total fair value.

3. The significant unobservable inputs used in the fair value measurement categorized within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2022, are as shown below,

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities,

Level 2: other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly,

Level 3: techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Quantitative disclosures of fair value measurement hierarchy as on March 31, 2022

Financial Instruments by Category	Carrying Value March 31, 2022	Fair Value		
		Level 1	Level 2	Level 3

28.7 Financial Risk Management Objectives & Policies

The Company’s principal financial liabilities, comprise of trade and other payables. The main purpose of these financial liabilities is to finance the Company’s operations. The Company’s principal financial assets include security deposits, trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company’s financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk, credit risk and liquidity risk.

The Company’s senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors and Audit Committee. This process provides assurance to Company’s senior management that the Company’s financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarized as below:

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings, deposits and investments. The sensitivity analyses in the following sections relate to the position as at March 31 2022. The analyses exclude the impact of movements in market variables on; the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of March 31, 2022.

(i) Interest Rate Risk

Interest rate is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company’s exposure to the risk of changes in market interest rates relates primarily to the Company’s long term debt obligation at floating interest rates.

The Company has Borrowings of Rs. 3000.00 Lakhs as on March 31, 2022. Also, the CCPS have been classified as Debt Financial Instruments to the tune of Rs. 1,32,158.53 Lakhs(PY. Rs. 75,904.76 Lakhs) on which Effective interest rate has been calculated to be approximate 32% (P.Y. 28%), which in effect will not result in any cash outflow but will be converted to equity at a later date.

(ii) Foreign Currency Risk

The Company's exposure to foreign currency risk was based on the following amounts as at the reporting dates.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PTC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Financial Assets

Particulars	As at March 31, 2022		As at March 31, 2021	
	Foreign Currency	In INR	Foreign Currency	In INR
Trade Receivable				
- In USD	174,550	131	3	208
- In EURO	-	-	0	8
Trade Payable

- In EURO	-	-	-	-
Net Exposure				
- In USD	174,550	131	(12)	(932)
- In EURO	-	-	0	8

Of the above foreign currency exposures, the following exposures are not hedged by a derivative

Particulars	As at March 31, 2022		As at March 31, 2021	
	Foreign Currency	In INR	Foreign Currency	In INR
Trade Receivable				
- In USD	174,550	131	3	208
- In EURO	-	-	0	8
Trade Payable				
- In USD	-	-	15	1,139
- In EURO	-	-	0	0
Net Exposure				
- In USD	174,550	131	(12)	(932)
- In EURO	-	-	0	8

Foreign Currency Sensitivity Analysis

Any changes in the exchange rates of USD and EURO against INR is expected to have significant impact on the company's profit due to the less exposure of these currencies. Accordingly, a 2% appreciation or depreciation of the INR as indicated below, against the USD and EURO would have reduce or increased profit by the amounts shown below. This analysis is based on the foreign currency variances that the Company considered to be reasonably possible at the end of the reporting period. The analysis assumes that all other variable remains constant.

(All amounts in Rs. in Lakhs, unless otherwise stated)

Particulars	As at March 31, 2022		As at March 31, 2021	
	Strengthning	Weakening	Strengthning	Weakening
2% strengthening/weakening of USD against INR	3	(3)	(19)	19
2% strengthening/weakening of Euro against INR	0	0	0	0

(b) Credit Risk

Credit Risk is the risk that the counter party will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with banks and other financial instruments.

(i) Trade Receivables

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company has a policy under which each new customer is analysed individually for creditworthiness before offering credit period and delivery terms and conditions. The Company individually monitors the sanctioned credit limits as against the outstanding balances.

The Company's credit risk with regard to trade receivable has a high degree of risk diversification, due to large number of customers having capacity to meet the obligations since, mostly they are state government organisations and therefore the risk of default is negligible or nil.

Based on prior experience and an assessment of the current economic environment, Management believes there is no credit risk provision required except as may required to take any potential impact of COVID '19 wherein a provision of Rs.6.13 Lakhs has been made for those receivables which is outstanding for more than 365 days. Further, management believes that the unimpaired amounts that are past due by more than 60 days are still collectible in full, based on historical payment behaviour and extensive in respect of trade receivables.

Bank Balances other than above	**-**	73
Non Current Investments	**-**	-
Total	**920**	**2,134**
Financial assets for which allowance is measured using Life time Expected Credit Loss Method (ECL)		
Trade Receivables	**553**	1,252
Total	**553**	**1,252**

Balances with banks is subject to low credit risks due to good credit ratings assigned to these banks.

(c) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and liquidity requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits and cash credit facility. Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The Company assessed the concentration of risk with respect to its debt and concluded it to be low.

Maturity profile of financial liabilities

The table below provides the details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

The table below provides the details regarding the remaining contractual maturities of financial liabilities at the reporting date:

As at March 31, 2022	Less than 1 year	More than 1 year	Total

28.10 Intangible Asset under Development

Embibe is a powerful ed-tech platform that uses artificial intelligence to improve student learning outcomes. It works with any knowledge base and can adopt to any syllabus. The company has decided to develop a new platform which would make use of the new technologies to enable scaling of the business. The management has started this project with critical hiring of best tech minds coupled with use of the best technologies. As per the provisions of Ind AS-38 on Intangible Assets, the company has shown an amount of Rs. 1,31,215.04 Lakhs (P.Y. Rs. 73,920.07 Lakhs) which represents the intangible asset under development comprising of (a) direct expenses such as employee benefits, professional charges, legal fees for registration of patent, trademark, licence fees for use of tools, servers etc. and such other services directly used for developing the intended intangible assets; (b) indirect expenses such as rent, travel, depreciation, interest, foreign exchange fluctuation expenses and such other expenses directly attributable to developing the intangible assets for its indended use; (c) direct purchase of intangible assets through business acquisition etc.

(space intentionally left blank)

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)
CIN: U80301KA2012PLC107575
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

28.11 Disclosure with respect to IND AS 115

The Company derives its revenues primarily from education based technology and learning platform comprising of platform and content development and related services, consulting and package implementation and from the licensing of software products and platforms across our digital offerings ("together called as platform related services").

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. Arrangements with customers for licensing of related services are either on a fixed-price (per student) and on fixed-time frame basis.

Revenue from fixed-price, fixed-time frame contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Maintenance or Support revenue is recognized rateably over the term of the underlying maintenance arrangement or the term of the license over which the maintenance is to be provided.

Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

In arrangements for platform development services, the Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation, wherein the delivery of the platform is identified as a the only performance obligation. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price.

Revenue from licenses where the customer obtains a "right to access" is recognized over the access period. Arrangements to deliver software products generally have two elements: license and its implementation. The company has applied the principles under Ind AS 115 to account for revenues from these performance obligations. When implementation services are provided in conjunction with the licensing arrangement and the license and implementation have been identified as two separate performance obligations, the transaction price for such contracts are allocated to each performance obligation of the contract based on their relative standalone selling prices. In the absence of standalone selling price for implementation, the performance obligation is estimated using the expected cost plus margin approach. Where the license is required to be substantially customized as part of the implementation service the entire arrangement fee for license and implementation is considered to be a single performance obligation and the revenue is recognized using the percentage-of-completion method as the implementation is performed.

Revenue from licenses where the customer obtains a "right to use" is recognized at the point in time when the right to use the intellectual property is transferred to the customer. First and foremost it is to be determined whether the nature of the license is for symbolic or functional intellectual property. Functional intellectual property is defined as intellectual property that has significant standalone value; In other words, it can be used to derive value without needing to be supported by the entity granting the license. Significant standalone value may exist from the intellectual property's ability to perform tasks or be used for an activity. Functional intellectual property may be licensed in a way that is a right to access or a right to use. If functional intellectual property meets the following two criteria it is considered a right to access and revenue is recognized over time:

i) During the license period, the entity providing the license is expected to undertake activities that do not transfer goods or services to the customer but that will substantially change the functionality of the intellectual property, and

ii) The customer is required to use the updated intellectual property, whether the requirement is contractual or practical in nature.

If the license is for functional intellectual property and the two criteria above are not met, then the license is considered a "right to use" and revenue is recognized at the point in time that the intellectual property is transferred to the customer.

Unamortized contract costs are incremental costs of obtaining a contract which are recognized as assets and amortized over the term of the contract by applying full transition as prescribed in Ind AS 115. The details of the incremental cost is as follows:

(All amounts in Rs. in Lakhs, unless otherwise stated)

Particulars	**Amount**
Opening Balance appearing as unamortized cost pertaining to incremental cost as on April 1, 2021	42
Add: Amount recognized as incremental cost	-
Less: Amount charged to Profit & Loss account over the term of the contract under the head 'Commission & Brokerage'	42
Closing Balance appearing as unamortized cost pertaining to incremental cost as on March 31, 2022	-

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

INDIAVIDUAL LEARNING LIMITED (formerly INDIAVIDUAL LEARNING PRIVATE LIMITED)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

28.11 Disclosure with respect to IND AS 115 (contd.)

The Company presents revenues net of indirect taxes in its statement of Profit and loss.
Revenue from operations for the relevant is as follows:

(All amounts in Rs. in Lakhs, unless otherwise stated)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Revenue from installation services	**0**	659
Revenue from licensing of products/services	**0**	400
Support and Maintenance	**258**	82
Sales of Tablets	**14**	-
Revenue from Examination & assessment services	**0**	4
Revenue from Business Support Services	**0**	1
Total	**272**	**1,146**

* The Company has decapitalised revenue from licensing of services to the tune of Rs. 174.33 Lakhs (P.Y. Rs. 44.77 Lakhs)

Disaggregate revenue information

The table below presents disaggregated revenues from contracts with customers by customer and contract type. The Company believe that this disaggregation best depicts how the nature, amount, timing and uncertainty of our revenues and cash flows are affected by industry, market and other economic factors. Revenue from operations for the year ended March 31, 2022 and year ended March 31, 2021 are as follows:

(All amounts in Rs. in Lakhs, unless otherwise stated)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Revenue by Customers		
Revenue from consumers	**-**	65
Revenue from institutions	**272**	1,081
Total	**272**	**1,146**
Revenue by Contract Type		
Fixed Price Basis	14	563
Fixed Time Frame Basis	258	583
Total	**272**	**1,146**

Institutions

The company has tied up with various institutions who in turn sell the product to their students, wherein these institutions buy the product in bulk. Some of these institutions also take up the services of a one time installation and customisation for them.

Consumer (B2C)

These are students who approach the website of the company and independently avail of the products that are offered on the companies website.

Trade receivables and Contract Balances

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Revenue for time and material contracts are recognized as related service are performed. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time .

Revenue recognition for fixed price development contracts is based on percentage of completion method. Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers. Unbilled revenue for fixed price development contracts is classified as non-financial asset as the contractual right to consideration is dependent on completion of contractual milestones.

Invoicing in excess of earnings are classified as unearned revenue.

Trade receivable and unbilled revenues are presented net of impairment in the Balance Sheet. During the year on account of probable impact of COVID-19 and & on account of Doubtful Debtors ageing more than 365 days, the Company has created a provision of Rs. 6.13 Lakhs-

28.13 Disclosure pursuant to IND AS 116

The Company has lease contracts for vehicles used in its operations. Leases of motor vehicles have lease terms of 2 years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. The Company also has certain leases with lease terms of 12 months or less and leases of office equipment with low value. The Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

The Company has entered into a sub lease agreement for use of office space for its business operations. The sub lease agreement shall be for a period of 5 years. Upon expiry of 5 years the sub lease agreement can be renewed for an additional period of 4 years by execution and registration of sub lease agreement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

28.14 The Figures regarding Trade Receivables, Trade Payables, Advance to Suppliers and others, Advances from Customers, etc. are subject to confirmation.
The figures for the corresponding previous year have been regrouped / reclassified wherever necessary, to make them comparable.

28.15 The entire world has been affected by the outbreak of Novel Coronavirus (COVID-19) and has affected various sectors of industry in the global economy. This has however not affected the operations of the Company and the management is of the opinion that there will not be any significant impact of the operations of the Company and does not require any disclosure of possible impact in these financial statements, except for a provision made on a very conservative basis towards the debtors of the company.

28.16 Details of Loans Given, Investments made and Guarantee given covered u/s 186 (4) of the Companies Act, 2013
No investments are made, no loans and guarantees are given by the Company as at 31st March, 2022 (Previous year NIL)

28.17 The Board of Directors of the Company had approved the Scheme of Amalgamation of eDreams Edusoft Private Limited ('Transferor Company")(wholly owned subsidiary of the Company) with Indiavidual Learning Limited ("Transferee Company") and their respective shareholders and creditors, pursuant to Sections 230-232 of the Companies Act, 2013, with Appointed Date of April 1, 2020 (‘the Scheme’). The National Company Law Tribunal, Bengaluru Bench (‘NCLT’) approved the Scheme vide its Order dated August 13, 2021.

As per the requirements under the Scheme, the Company has accounted for the amalgamation as per pooling of interest method in accordance with Appendix C to Ind AS 103, i.e. Business combination of entities under common control. The Company recorded the assets, liabilities and reserves of Transferor Company vested in the Transferee Company, pursuant to the Scheme, at their carrying amounts. The inter-company balances between the Transferee Company and the Transferor Company as also the investment of the Transferee Company in the Transferor Company and the share capital of Transferor Company stood cancelled. Accordingly, the carrying value of the investment in the Transferor Company have been cancelled by a sum of Rs. 8137.53 Lakhs as at March 31, 2021 in the books of accounts of the Transferee Company and therefore, the figure as at March 31, 2021 have been restated to include the effect of this amalgamation.

28.18 Ratio Analysis

Sr. No.	Particulars	21-22	20-21
