## **INDEPENDENT AUDITOR'S REPORT**

### **To The Members of Intimi India Limited (formerly known as Intimi India Private Limited) Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Intimi India Limited (formerly known as Intimi India Private Limited) ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2023, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in

India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial

position

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
  - vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. 1<sup>st</sup> April 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the period ended 31<sup>st</sup> March 2023.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### **Report on the Internal Financial Controls with respect to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls with reference to financial statements of Intimi India Limited (formerly known as Intimi India Private Limited) (“the Company”) as of 31<sup>st</sup> March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with respect to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with respect to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to Financial Statements**

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with respect to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with respect to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with respect to financial statements to future periods are subject to the risk that the internal financial control with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial control with respect to financial statements and such internal financial controls with respect to financial statements were operating effectively as at 31<sup>st</sup> March, 2023, based on the criteria for internal financial control with respect to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.  
B. The Company has maintained proper records showing full particulars of intangible assets.  
  
(b) The Company has a program of verification of property, plant and equipment, and right-of-use assets so to cover all the items once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, no such assets were due for physical verification during the year. Since no physical verification of property, plant and equipment was due during the year the question of reporting on material discrepancies noted on verification does not arise.  
  
(c) The Company does not have any immovable properties and hence reporting under clause 3(i)(c) of the Order is not applicable.  
  
(d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) during the year.  
  
(e) No proceedings have been initiated during the year or are pending against the Company as at 31<sup>st</sup> March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.  
  
(b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the period, and hence reporting under clause 3(iii) of the Order is not applicable.
- (iv) The Company has not granted any loans, made investments or provided guarantees or securities and hence reporting under clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) Having regard to the nature of the Company’s business / activities, reporting under clause 3(vi) of the Order is not applicable.
- (vii) In respect of statutory dues:
  - (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees State Insurance, Income-tax, duty of customs, cess and other material statutory dues applicable

to the Company, have generally been regularly deposited by it with appropriate authorities in all cases during the year.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees State Insurance, Income-tax, duty of customs, cess and other material statutory dues in arrears as at 31<sup>st</sup> March 2023 for a period of more than six months from the date they became payable.

Sales tax, Service tax, duty of Excise and Value Added Tax are not applicable to the Company. Hence reporting under clause 3 (vii)(a) of the Order, with respect to these statutory dues, is not applicable.

(b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on 31<sup>st</sup> March 2023.

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the period and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the period for long-term purposes by the Company.

(e) The Company did not have any subsidiary or associate or joint venture during the period and hence, reporting under clause 3(ix)(e) of the Order is not applicable.

(f) The Company did not have any subsidiary or associate or joint venture during the period and hence, reporting under clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the period and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the period, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the period.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the period and upto the date of this report.

(c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the period.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

(xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party

transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

- (xiv) In our opinion, requirements related to internal audit system under section 138 of the Companies Act, 2013 are not applicable to the Company and hence reporting under clause 3(xiv) of the Order is not applicable.
- (xv) During the period, the Company has not entered into any non-cash transactions covered by Section 192 of the Act with any of its directors or directors of its holding company or persons connected with them and hence reporting under clause 3(xv) of the Order is not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

The Group does not have any Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence the reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has incurred cash losses amounting to Rs. 5,595 thousands during the financial year covered by our audit but had not incurred cash losses in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the period.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

**Intimi India Limited****(Formerly known as Intimi India Private Limited)****Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023****A. Corporate information**

Intimi India Limited (Formerly known as Intimi India Private Limited) (the "Company") is a Company incorporated in India having its registered office at 874, Shri Krishna Temple Road Kalyan Nagar, Indiranagar 1st stage, Bengaluru 560038. The Company (CIN: U52500KA2017PLC103521) is engaged in the business of retail trading of ladies apparel.

The Company's immediate holding Company is Reliance Retail Ventures Limited and Ultimate holding Company is Reliance Industries Limited. The Company was converted into a Public Limited Company w.e.f. November 28, 2022.

**B. Basis of preparation and presentation****B.1 Statement of compliance**

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and as amended by the Ministry of Corporate Affairs (MCA) from time to time.

**B.2 Basis of preparation**

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair values:

- i) Certain financial assets and liabilities,
- ii) Defined benefit plans - plan liabilities

The Company's financial statements are presented in Indian Rupees (Rs), which is also its functional currency and all values are rounded to the nearest thousand (`000) except when otherwise stated.

**B.3 Significant accounting policies****(a) Current and Non-Current classification**

The Company presents assets and liabilities in the Balance Sheet based on Current and Non-Current classification.

An asset is classified as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when -

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company has ascertained 12 months as its operating cycle.

**(b) Property, plant and equipment**

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price and any cost directly attributable to bringing the assets to its working condition for its intended use.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Depreciation is provided on pro-rata basis on the straight-line method over the estimated useful life of the tangible assets, based on technical evaluation done by management's expert taking into account the nature of the assets, their estimated period of use and the operating conditions.

<b>Asset</b>	<b>Management estimate of Useful life (years)</b>	<b>Useful life as per Schedule II (years)</b>
Office equipment	5	5
Furniture and fixtures	5	10
Computer equipments	3	3-6

Leasehold Improvements are amortised over the estimated useful life of the asset or the period of lease, whichever is lower.

Depreciation is charged on proportionate basis for all assets purchased/sold during the year.

Gains or losses arising from derecognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised.

**(c) Leases**

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

**(d) Intangible assets**

Intangible assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation and impairment loss, if any. Such cost includes purchase price and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost can be measured reliably.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

**Intimi India Limited****(Formerly known as Intimi India Private Limited)****Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023**

The Company's intangible assets, i.e., Computer Software comprises assets with finite useful life which are amortised on a straight-line basis over the period of their expected useful life. The amortisation period and the amortisation method are reviewed at each reporting date.

Computer software is amortised over a period of 3 years on a straight-line basis.

**(e) Cash and cash equivalents**

Cash and cash equivalents comprise of cash on hand, cash at banks, short term deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(f) Cash flow statement**

Cash flows are reported using the indirect method, whereby net loss/profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and items of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**(g) Borrowing costs**

Borrowing costs are interest and other costs including exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost incurred by the Company in connection with borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

**(h) Inventories**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Costs of inventories are determined on weighted average basis. Cost of stock in trade comprises of cost of procurement and other direct costs. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale. Inventories include unsold stock lying with customers which are on sale or return basis and goods in transit.

**(i) Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**(j) Contingent liabilities**

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

**(k) Employee benefits expense****Short term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

**Intimi India Limited****(Formerly known as Intimi India Private Limited)****Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023****Post-employment benefits****i) Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to the regulatory authorities and has no further obligations to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to a Government administered provident fund scheme which is a defined contribution plan. The Company contribution is recognized as an expense in the Statement of Profit or Loss during the period in which the employee renders the related service.

**ii) Defined Benefit Plans**

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs are deducted. The Company's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

**iii) Compensated absences**

Accumulated compensated absences which are expected to be availed or encashed within 12 months from the end of the year are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long-term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) by an Independent actuary at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Termination benefits are recognised as an expense when, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

**(I) Income taxes**

The tax expenses for the year comprises of current tax and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in Equity, in which case, the tax is also recognised in Other Comprehensive Income or Equity.

**(i) Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the income tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

**ii) Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023**

**(m) Foreign Currency transactions and translations**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In case of asset, expense or income where a non-monetary advance is paid/received, the date of transaction is the date on which the advance was initially recognized. If there were multiple payments or receipts in advance, multiple dates of transaction are determined for each payment or receipt of advance consideration.

**(n) Revenue recognition**

Sales are recognised on the transfer of control of the goods to the customer at an amount that reflect the consideration entitled in exchange for those goods. Control is transferred when the goods are delivered to the customers and sales are net of returns, trade discount and taxes.

**(o) Earnings per share**

Basic earnings per share is calculated by dividing the net profit/loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

**(p) Impairment of assets**

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**(q) Financial instruments**

**i. Financial assets**

**A. Initial recognition and measurement**

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

**Intimi India Limited****(Formerly known as Intimi India Private Limited)****Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023****B. Subsequent measurement****a) Financial assets measured at Amortised Cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise to cash flows on specified dates that represent solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

**c) Financial assets measured at Fair Value Through Profit or Loss (FVTPL)**

A financial asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

**C. Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

**ii. Financial liabilities****A. Initial recognition and measurement**

All financial liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

**B. Subsequent measurement**

Financial liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**iii. Derecognition of financial instruments**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**Intimi India Limited****(Formerly known as Intimi India Private Limited)****Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023****iv. Offsetting**

Financial assets and financial liabilities are offset and the net amount is presented in the Balance Sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

**B.4 Critical accounting judgements and key sources of estimation uncertainty**

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

**(a) Depreciation / Amortisation and Useful Life of Property, Plant and Equipment / Intangible Assets**

Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management. Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful life, after taking into account estimated residual value. Management reviews the estimated useful life and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful life and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**(b) Recoverability of Trade Receivables**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non- payment.

**(c) Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**(d) Impairment of financial and non financial assets.**

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

In case of non-financial assets Company estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

**(e) Recognition of deferred tax assets and liabilities**

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023**

**B.5 Standards issued but not effective**

On 31st March, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023. This notification has resulted into amendments in the following existing accounting standards which are applicable to Company from 01st April, 2023.

- i. Ind AS 101 – First time adoption of Ind AS
- ii. Ind AS 102– Share Based Payment
- iii. Ind AS 103 – Business Combination
- iv. Ind AS 107– Financial Instruments: Disclosures
- v. Ind AS 109 – Financial Instrument
- vi. Ind AS 115 – Revenue Recognition
- vii. Ind AS 1– Presentation of financial Statements
- viii. Ind AS 8– Accounting policies, changes in accounting estimates and errors
- ix. Ind AS 12– Income Taxes
- x. Ind AS 34– Interim Financial Reporting

Application of above standards are not expected to have any significant impact on the Company's financial statements.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Notes to the Financial Statements for year ended 31st March, 2023**

**III. Actuarial Assumptions**

**Particulars**

Mortality Table (IALM)	<b>2012-14</b>	<b>2012-14</b>
	<b>(Ultimate)</b>	<b>(Ultimate)</b>
Discount Rate (per annum)	<b>7.60%</b>	<b>6.85%</b>
Rate of Escalation in Salary (per annum)	<b>8.00%</b>	<b>8.00%</b>
Rate of employee turnover (per annum)	<b>53.00%</b>	<b>8.00%</b>

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

IV. The Gratuity plan is unfunded and hence the expected contribution for the next year is considered as Nil.

**V. Sensitivity Analysis**

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary, increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

Particulars	₹ in INR			
	As at 31st March, 2023		As at 31st March, 2022	
	Decrease	Increase	Decrease	Increase
Change in discounting rate ( delta effect of +/- 1%)	1,13,263 2.0%	1,08,887 (1.9%)	1,42,798 13.9%	1,11,010 (11.5%)
Change in rate of salary increase( delta effect of +/- 1%)	1,08,875 (1.9%)	1,13,234 2.0%	1,11,029 (11.5%)	1,42,422 13.6%
Change in rate of employee turnover ( delta effect of +/- 50%)	1,34,807 21.4%	1,01,943 (8.2%)	1,43,641 14.5%	1,11,912 (10.8%)
Change in rate of mortality ( delta effect of +/- 10%)	1,11,023 0%	1,11,042 0%	1,25,451 0%	1,25,402 0%

Actuarial valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk as below:

*Investment risk:* The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

*Interest risk:* A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

*Longevity risk:* The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

*Salary risk:* The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**  
**Notes to the Financial Statements for year ended 31st March, 2023**

**24 Financial Instruments**

**Valuation Methodology**

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

- a) The fair value of the financial instruments if any, is determined using discounted cash flow analysis.
- b) All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

**Fair value measurement hierarchy:**

₹ in thousands

Particulars	As at 31st March, 2023	As at 31st March 2022
	Carrying Amount	Carrying Amount
<b>Financial Assets</b>		
<b>At Amortised Cost</b>		
Trade Receivables	5,696	11,320
Cash and cash equivalents	2,280	4,280
Other Financial Assets	10,686	10,206
<b>Financial Liabilities</b>		
<b>At Amortised Cost</b>		
Trade Payables	74,643	39,586

**Foreign Currency Risk**

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee. The Company has insignificant exposure to foreign currency transactions and the corresponding foreign currency risk is negligible.

**Interest Rate risk**

**i. Liabilities**

The Company's borrowings are carried at amortised cost and are fixed rate borrowings. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

**ii. Assets**

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of change in market interest rates.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**  
**Notes to the Financial Statements for year ended 31st March, 2023**

**Credit risk**

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from Company's activities in investments and receivables from customers. The Company ensure that sales of products are made to customers with appropriate creditworthiness. Investment and other market exposures are managed against counterparty exposure limits. Credit information is regularly shared between businesses and finance function, with a framework in place to quickly identify and respond to cases of credit deterioration.

The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. Credit risk across the Company is actively managed through Letters of Credit, Bank Guarantees, Parent Group Guarantees, advance payments and factoring & forfaiting without recourse to the Company. The Company restricts its fixed income investments in liquid securities carrying high credit rating.

**Liquidity Risk**

Liquidity risk arises from the Company's inability to meet its cash flow commitments on the due date. The Company maintains sufficient cash, marketable securities and committed credit facilities. The Company accesses local financial markets to meet its liquidity requirements. Treasury monitors rolling forecasts of the Company's cash flow position and ensures that the Company is able to meet its financial obligation at all times including contingencies.

The Company's liquidity is managed centrally with operating units forecasting their cash and liquidity requirements. Treasury pools the cash surpluses and arranges to either fund the net deficit or invest the net surplus in a range of short-dated, secure and liquid instruments including short-term bank deposits and similar instruments. The portfolio of these investments is diversified to avoid concentration risk in any one instrument or counterparty.

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Notes to the Financial Statements for year ended 31st March, 2023**

**25 Segment Information**

The Company is engaged in the business of wholesale trading of ladies apparels and primarily sells its products within India. Accordingly, the Company has only one identifiable segment reportable under Ind AS 108 - "Operating Segments". All the activities of the Company revolve around this main business. The chief operational decision maker monitors the operating results of the Company's business for the purpose of making decisions about resource allocation and performance assessment.

<b>26 Ratios</b>	<b>2022-23</b>	<b>2021-22</b>
i Current Ratio	0.97	1.24
ii Debt Service Coverage ratio	-	-
iii Inventory Turnover Ratio	3.19	2.28
iv Trade Payable Turnover Ratio	4.78	3.30
v Net Profit Ratio	(8%)	(3%)
vi Return on Investment	6%	2%
vii Debt-Equity Ratio	-	-
viii Return on Equity Ratio	(78%)	(16%)
ix Trade Receivables Turnover Ratio	30.93	18.81
x Net Capital Turnover Ratio	47.83	10.19
xi Return on Capital Employed	(80%)	(14%)

**Reasons for variance more than 25%**

- i Inventory Turnover Ratio improved due to increased sales during the period
- ii Trade Payable Turnover Ratio increased on account of increase in purchases and expenses coupled with timely payment to creditors.
- iii Net Profit Ratio decreased due to increase in losses during the year
- iv Return on Investment improved due to optimum use of cash and cash equivalents during the year
- v Return on Equity Ratio decreased due to increase in losses during the year
- vi Trade Receivables turnover ratio increased due to increase in sales coupled with better collections during the year
- vii Net Capital Turnover Ratio increased due to improved revenue and working capital.
- viii Return on Capital Employed decreased due to increase in losses during the year

x	Net Capital Turnover Ratio	$\frac{\text{Revenue from operations}}{\text{Average Working Capital}}$
xi	Return on Capital Employed	$\frac{\text{Net Loss After Tax + Deferred Tax Expense/(Income) + Finance Cost (-) Other Income}}{\text{Average Capital Employed}}$

**Intimi India Limited**  
**(Formerly known as Intimi India Private Limited)**

**Notes to the Financial Statements for year ended 31st March, 2023**

**27 Current tax:**

No provision has been made in these financial statements as the Company has no taxable profits.

**Deferred tax:**

Deferred tax asset on timing differences and on unabsorbed depreciation and business loss carried forward have not been recognised in these accounts in the absence of 'reasonable/ virtual certainty supported by convincing evidence' that sufficient future taxable income will be available for set-off. However, this position will be reassessed at every year end and the deferred tax asset will be accounted for, if appropriate.

**28 MCA notification dated 24th March 2021 for amendments to Schedule III disclosures which are not applicable and Other Statutory Information:**

- i Title deeds of Immovable Property not held in name of the Company - Not applicable as there are no immovable properties other than lease hold properties
  - ii Details of Benami Property and its proceedings- Not applicable as there are no proceedings which have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder.
  - iii Willful Defaulter - Not applicable as the Company has no loans from Banks or Financial Institution and the Company has not been classified as a willful defaulter
  - iv Relationship with Struck off Companies - Not applicable as there no transactions with Stuck off Companies
  - v Compliance with number of layers of companies - Not Applicable as the Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.
  - vi Compliance with approved Scheme(s) of Arrangements - Not Applicable as the Company no Scheme of Arrangements that has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013
