

**RELIANCE INDUSTRIES LIMITED**  
**Petroleum Business (E&P)**  
**Notice Inviting Expression of Interest**  
**(RIL/E&P/EOI/2023/03)**  
**(Under International Competitive Bidding)**  
**For KG-DWN-98/3 (KG-D6) Block**

Reliance Industries Limited (RIL), as Operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited invites Expression of Interest (EOI) from reputed and experienced Contractors for following categories, for KG-DWN-98/3 (KG-D6) Block:

<b>CATEGORY NO</b>	<b>CATEGORY DESCRIPTION</b>
<b>DEV/KGD6/2023/1</b>	Engineering of facilities for deepwater fields
<b>DEV/KGD6/2023/2</b>	Project Management Consultancy Services for Deepwater Field Development
<b>DEV/KGD6/2023/3</b>	Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities
<b>DEV/KGD6/2023/4</b>	Services of Marine Warranty Surveyor for Offshore Facilities
<b>DEV/KGD6/2023/5</b>	Engineering for permanent P&A of deepwater subsea wells

Interested Contractors are requested to visit our website [www.ril.com](http://www.ril.com) (eB2B> For Suppliers> E&P Notice for EOI) for further details on the above and submit their EOI through e-mail on [deveioresponse.eandp@ril.com](mailto:deveioresponse.eandp@ril.com), on or before 20 December 2023. Subject of the mail should mention "RIL/E&P/EOI/2023/03" along with category number. For documents size beyond 10 MB, Vendors should request RIL through e-mail to provide FTP link for uploading EOI documents.

**Address for Communication:**

Chief - Supply Chain Management,  
Reliance Industries Limited, Petroleum Business (E&P),  
Building No 11, 'A' Wing, Second Floor, Reliance Corporate Park (RCP),  
Thane-Belapur Road, Ghansoli, Navi Mumbai-400701, India  
Email Address: - [deveioresponse.eandp@ril.com](mailto:deveioresponse.eandp@ril.com)  
CIN: L17110MH1973PLC019786

**Further details on the above requirements are as below:**

**For KG-DWN-98/3 (KG-D6 Block)**

Reliance Industries Limited (RIL), as Operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited invites Expression of Interest (EOI) from reputed and experienced Contractors for following categories, for Deep-water Block No. KG-DWN-98/3 (KG-D6) in East coast of India:

<b>CATEGORY NO</b>	<b>CATEGORY DESCRIPTION</b>
<b>DEV/KGD6/2023/01</b>	Engineering of facilities for deepwater fields
<b>DEV/KGD6/2023/02</b>	Project Management Consultancy Services for Deepwater Field Development
<b>DEV/KGD6/2023/03</b>	Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities
<b>DEV/KGD6/2023/04</b>	Services of Marine Warranty Surveyor for Offshore Facilities
<b>DEV/KGD6/2023/05</b>	Engineering for permanent P&A of deepwater subsea wells

Contractors interested to pre-qualify for receiving tenders are required to submit the information as detailed below:

**Category No: DEV/ KGD6/2023/01** for Engineering of facilities for deepwater fields

➤ **Scope**

Conceptual Engineering and / or Front End Engineering & Design (FEED) works for offshore oil & gas fields in deep waters

➤ **Contractor shall submit:**

- Experience in carrying out Conceptual Engineering/Front End Engineering & Design (FEED) in the last 10 years for:
  - development of offshore oil & gas fields in deep waters.
  - decommissioning including site restoration and abandonment of facilities related to deepwater projects.
- Experience in carrying out Flow Assurance Studies for offshore oil & gas fields in deep waters in the last 10 years. The details of experience to be provided in the tabular format given below, along with information on aspects covered in the studies.
- Name & Location of the proposed bidding entity.
- Profile of the proposed bidding entity and the parent company, if any, including the following:
  - Overall organization chart
  - Details of office facilities available with the proposed bidding entity & location from where work is intended to be carried out
- Resources available with the proposed bidding entity to carry out Conceptual Engineering / FEED along with CVs of Key Technical personnel.
- Updated workload chart for the proposed location illustrating current commitments, future anticipated workload and available capacity.
- Audited financial results (Balance Sheet) of the proposed bidding entity for the last five years and the parent company, if any.
- Health, Safety, Environment (HSE) Management System along with HSE track record for last 3 years.
- Quality Assurance System along with valid ISO 9001 certification of the proposed bidding entity and the parent company (if any).
- Any other information considered relevant by the Contractor.

Contractor's Experience							
Project Name & Location	Field Water Depth (m)	Name of the Field Operator	Name of the Client	Location of Contractor's office responsible for Work	Date of Start & Completion of Work	Order Value	Details of Contractor's Scope of Work
A. Contractor's Experience in carrying out <b>Conceptual Engineering</b> for development of offshore oil & gas fields in deep waters							
							(Please see Note)
B. Contractor's Experience in carrying out <b>FEED</b> for development of offshore oil & gas fields in deep waters							
							(Please see Note)
C. Contractor's Experience in carrying out <b>Conceptual Engineering / FEED</b> for decommissioning including site restoration and abandonment of facilities related to deepwater projects							
							(Please see Note)
D. Contractor's Experience in carrying out Flow Assurance Studies							

**Note**

Contractor shall furnish details of scope of work performed in respect of overall system engineering, subsea facilities such as manifolds, subsea umbilical distribution, flow-lines, pipelines (rigid/flexible), PLETs, umbilicals, risers, foundations, jumpers, control system; offshore processing facilities including topside and substructure (Platform topsides, jacket; FPSO, buoy, mooring system, TLP, Semi-sub, foundation systems for jackets/floating facilities, etc.); flexible risers and dynamic umbilicals; onshore facilities and other assets.

**Category No: DEV/KGD6/2023/02** for Project Management Consultancy Services for Deepwater Field Development.

➤ **Scope**

Provide project management consultancy services for executing deepwater oil & gas project including services such as project management, contract management, interface management, engineering support services (in key engineering disciplines), installation, pre-commissioning & commissioning support services, QA/QC management during manufacturing, installation and commissioning and expediting.

➤ **Contractor shall submit:**

- Details of experience in providing project management services in past 10 years for deepwater oil and gas projects clearly bringing out project name, water depth, contract value and the scope of work performed for each project.

- List of key personnel available along with CVs for project management, contract management, interface management, engineering support in various disciplines, installation, pre-commissioning and commissioning support, QA/QC personnel in various disciplines.
- Details of present work commitments and anticipated work load.
- Company Profile and audited financial results (Balance Sheet) of the proposed bidding entity for the last five years and the parent company, if any.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that Contractor is a competent service provider.

**Category No: DEV/KGD6/2023/03** for Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities.

➤ **Scope**

The scope will involve design review and appraisal, risk assessment & certification of deep water offshore facilities covering various stages of the project (from design to commissioning) and subsequent issuance of certificates of conformity on successful completion of these activities.

➤ **Contractor shall submit:**

- Experience in carrying out Certification and Verification Agency services for deep water offshore field developments in last 10 years, clearly bringing out project name, water depth, contract value and the scope of work performed for each project.
- List of key personnel having experience in similar scope along with their CVs.
- Details of present work commitments and anticipated work load.
- Company Profile and audited financial results (Balance Sheet) of the proposed bidding entity for the last five years and the parent company, if any.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that Contractor is a competent service provider.

**Category No: DEV/KGD6/2023/04** for Services of Marine Warranty Surveyor for Offshore Facilities.

➤ **Scope**

Provide Services of Marine Warranty Surveyors for deep water oil and gas projects for transportation of offshore facilities (e.g., XMTs, umbilicals, line pipes & subsea equipment, offshore jackets, FPSOs) and Installation of offshore facilities (e.g., Pipelines, XMTs, PLETs, jumpers, umbilicals and subsea equipment, offshore jackets, FPSOs).

➤ **Contractor shall submit:**

- Details of experience in past 10 years in providing services of Marine Warranty Surveyors for Oil and Gas projects clearly bringing out project name, water depth, Contract value and the scope of work performed in each project.
- Details of resources available to perform the Marine Warranty Services and CVs of Key Surveyors.
- Details of present work commitment and anticipated work.
- Company Profile and audited financial results (Balance Sheet) of the proposed bidding entity for the last five years and the parent company, if any.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.

- Any other relevant information that will establish that Contractor is a competent service provider.

**Category No: DEV/ KGD6/2023/05** for Engineering for permanent P&A of deepwater subsea wells

➤ **Scope**

Conceptual engineering/analysis and design of permanent plug and abandonment of deepwater subsea development wells.

➤ **Contractor shall submit:**

- Experience in past 10 years in carrying out conceptual engineering/analysis and design for permanent P&A of deepwater subsea wells.
- Name & Location of the proposed bidding entity.
- Profile of the proposed bidding entity and the parent company, if any, including the following:
  - Overall organization chart
  - Details of office facilities available with the proposed bidding entity & location from where work is intended to be carried out
- Resources available with the proposed bidding entity to carry out the SOW with CVs of Key Technical personnel.
- Updated workload chart for the proposed location illustrating current commitments, future anticipated workload and available capacity.
- Audited financial results (Balance Sheet) of the proposed bidding entity for the last five years and the parent company, if any.
- Health, Safety, Environment (HSE) Management System along with HSE track record for last 3 years.
- Quality Assurance System along with valid ISO 9001 certification of the proposed bidding entity and the parent company (if any).
- Any other information considered relevant by the Contractor.

The above information for all the categories is to be submitted in the Summary Sheet as given below.

CONTRACTOR'S DETAILS	
Name of the Company	
Proposal ref.	
Proposal Date.	
Key Contact Details Name: Tel No: Email:	

**SUMMARY SHEET**

Category/ Sub - Category No.	Category of Equipme nt /Materials /Services	Broad Specificatio ns/ details of Equipment/ Vessel/ Resources (as applicable)	Contracto r's past performa nce and supply record	List of major clients (covering Projects of preceding years, as applicable including ongoing projects)	Approx. value of Contract s	Contra ct period	Compa ny profile	Certificates API / ISO or others as applicable & validity (attach copies)

Interested Vendors are requested to submit their EOI through e-mail on [deveioresponse.eandp@ril.com](mailto:deveioresponse.eandp@ril.com), on or before 20 December 2023. Subject of the mail should mention "RIL/E&P/EOI/2023/03" along with category number. For documents size beyond 10 MB, Vendors should request RIL through e-mail to provide FTP link for uploading EOI documents.
