INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF COLOSCEUM MEDIA PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Colosceum Media Private Limited ('the Company')**, which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the material accounting policies and other explanatory information. (here in after referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the financial position of the Company as at 31st March 2024, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises information included in annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. Further to our comment in the Annexure A, as required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of the written representations received from the directors of the Company as on 31st March, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
 - g. In our opinion and to the best of our information and according to the explanations given to us, the provisions of section 197 of the act is not applicable to the company since no managerial remuneration is paid / provided.
 - h. With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and as represented by the management:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) Management has represented to us that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) Management has represented to us that, to the best of it's knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate

Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on our audit procedures conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management under paragraph (2) (h) (iv) (a) & (b) contain any material misstatement.

- v. The company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the company has used an accounting software, for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trial as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

“Annexure B” to the Independent Auditor’s Report

Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of the Colosseum Media Private Limited on the financial statements for the year ended 31st March 2024.

Report on the Internal Financial Controls with reference to aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to aforesaid financial statements of Colosseum Media Private Limited (“the Company”) as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financials statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management

and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Colosseum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

1 CORPORATE INFORMATION

Colosseum Media Private Limited ("the Company") is a Company incorporated in India. The registered office of the company is situated at First Floor, Empire Complex, 414, Senapati Bapat Marg, Lower Parel, Mumbai - 400 013, Maharashtra. The Company is engaged in the business of conceptualization and creation of multimedia assets and IPs. It offers content development capabilities for television, OTT and film entertainment as well as consulting, strategic and research advisory services to clients.

2 MATERIAL ACCOUNTING POLICIES

2.1 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, defined benefit plans - plan assets which have been measured at fair value amount.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, amended from time to time and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time.

The Company's Financial Statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

2.2 Summary of Material Accounting Policies

(a) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification considering an operating cycle of 12 months being the time elapsed between deployment of resources and the realisation in cash and cash equivalents there-against.

(b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment is provided using straight-line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Leasehold improvements are depreciated over the period of lease agreement or the useful life whichever is shorter.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(c) Leases

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

Colosseum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

(d) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any.

Computer Software are being amortised over its estimated useful life of 5 years.

(e) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs net of recoverable taxes incurred in bringing them to their respective present location and condition.

(f) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(g) Provisions and Contingent Liabilities

The Company exercises significant judgement in identification of and estimation of the amounts of provisions and contingent liabilities. These provisions and contingent liabilities are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

(h) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation as per Projected Unit Credit Method.

Colosceum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund, Employee State Insurance and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @ 15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurements of defined benefit plans in respect of post-employment benefits are charged to the Other Comprehensive Income.

(i) Current Tax and Deferred Tax

The tax expense for the period comprises of current and deferred tax. The Company exercises judgment in computation of current tax considering the relevant rulings and reassesses the carrying amount of deferred tax assets at the end of each reporting period.

(j) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency's closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

(k) Revenue recognition

Revenue from operations includes income from content productions.

Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government. Income from media operations is recognised to the extent the performance of agreed contractual task has been completed. Consideration is generally due upon satisfaction of performance obligations and receivable is recognised when it becomes unconditional. Generally, the credit period varies between 0-90 days from the date of delivery of final telecast master.

Colosseum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

Revenues in excess of invoicing are classified as contract assets and disclosed as unbilled revenue.

Invoicing in excess of revenues are classified as contract liabilities and disclosed as unearned revenues.

Interest income

Interest Income from Financial Assets is recognised using effective interest rate method.

(l) Financial instruments

(i) Financial Assets

Purchase and Sale of Financial Assets are recognised using trade date accounting and measured at fair value through profit and loss account.

Trade receivables that do not contain a significant financing component are measured at transaction prices.

The Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further, the Company uses historical default rates to determine impairment loss on the portfolio of the trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(m) Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these judgements, estimates and assumptions could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(a) Depreciation/ Amortisation and useful lives of Property, Plant and Equipment and Other Intangible Assets

Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management. Property, Plant and Equipment/ Intangible assets are depreciated/ amortised over their estimated useful lives, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/ amortisation for future periods is adjusted if there are significant changes from previous estimates.

(b) Recoverability of trade receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

(c) Provisions

The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

(d) Impairment of non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use; considering recent transaction or independent valuer's report. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Colosseum Media Private Limited**Notes to the Financial Statements for the year ended 31st March, 2024**

In assessing value in use, the estimated future cash flows covering generally a period of five years are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Estimated future cash flows involve judgement and estimates relating to revenue growth rates, net profit margin and perpetual growth rates. In determining fair value less costs of disposal, recent market transaction are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

(e) Impairment of financial assets

The impairment provisions for financial assets depending on their classification are based on assumptions about risk of default, expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(f) Defined benefit plans

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ income include the discount rate, salary escalation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

(g) Deferred Tax

Deferred income tax assets are reassessed at each reporting period and are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised. The Company uses judgement to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

(h) Fair value measurement

For estimates relating to fair value of financial instruments Refer Note 35.

Discount Rate (per annum)	7.15%	7.40%
Rate of Escalation in Salary (per annum)	6.00%	6.00%

IALM - Indian Assured Lives Mortality.

The discount rate is based on the prevailing market yields of Government of India bonds as at the Balance Sheet date for the estimated term of the obligations.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

v Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase. The sensitivity analysis below, have been determined based on reasonably possible change of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of Sensitivity Analysis is given below:

(₹ in lakh)

	Gratuity (Unfunded)	
	As at 31st March, 2024	As at 31st March, 2023
a. Impact of the Change in Discount Rate

vii These Plans typically expose the Company to actuarial risks such as: Interest Risk, Longevity Risk and Salary Risk.

Colosceum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

- a) **Interest Risk** - A decrease in the discount rate will increase the plan liability.
- b) **Longevity Risk** – The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy of the plan participants will increase the plan's liability.
- c) **Salary Risk** – The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

There are no balance outstanding as on 31st March, 2024 on account of any transaction with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.

33 CAPITAL AND FINANCIAL RISK MANAGEMENT

i CAPITAL MANAGEMENT

The Company manages its capital to ensure that it will continue as going concern while maximising the return to stakeholders.

The capital structure of the Company consists of cash and cash equivalent and equity.

ii MARKET RISK

a FOREIGN EXCHANGE EXPOSURE/ CURRENCY RISK

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flow of an exposure will fluctuate because of changes in foreign currency rates. Exposure can arise on account of various assets and liabilities which are denominated in currencies other than functional currency.

iii SENSITIVITY ANALYSIS

1% appreciation/ depreciation of the respective foreign currencies with respect to the functional currency of the Company would result in decrease/ increase in the Company's profit before tax by ₹ (NIL) for the period ended 31st March, 2024 and by ₹ (NIL) for the year ended 31st March, 2023.

Colosceum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

iv FINANCIAL RISK MANAGEMENT

The Company's activities exposes it mainly to credit risk. The finance team identifies and evaluates financial risk in close coordination with the Company's business teams.

Credit risk is the risk that customers or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables.

Customer credit risk is managed by business team subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customers receivables are regularly monitored.

An impairment analysis is performed at each reporting date for major customers. Receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company evaluates the concentration of risk with respect to receivables as low.

34 DEFERRED TAX ASSETS (NET) :

In the absence of reasonable certainty that sufficient taxable profits will be available against which the deductible temporary differences can be utilised, the Company has not recognized the deferred tax assets amounting to ₹ 75 (Previous Year ₹ 37 lakh) arising out of tangible assets, intangible assets and other items. The same shall be reassessed at subsequent balance sheet date.

Colosseum Media Private Limited

Notes to the Financial Statements for the year ended 31st March, 2024

35.1 The Fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: Inputs are other than the quoted prices included within the Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

35.2 Valuation Methodology

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- a) The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or Net Assets Value (NAV), as applicable.
- b. The fair value of the remaining financial instruments is determined based on adjusted quoted price of underlying assets, information about market participants, assumptions and other data that are available including using discounted cash flow analysis, as applicable.
